MISSION

VOLUNTEER

Help change lives!

Are you looking to give your time and use your gifts to benefit your community?

Are you interested in helping our homeless neighbors?

Become a volunteer with Seattle's Union Gospel Mission! When you serve with the Mission, you help men, women, and children get off the streets and move into the thriving lives God wants for them. You can help us build relationships with our homeless neighbors and bring them the life-saving and life-changing help they need.

FIVE WAYS TO HELP RIGHT NOW:

- **Serve meals at one of our shelters**
- **Host a food, clothing, or supplies drive**
- **Mentor a man in our recovery program**
- **Join Search + Rescue to bring much needed help to men, women, and children on the streets**
- **Bring a group to sort donations in our distribution center**

At Seattle's Union Gospel Mission, our vision is to see every homeless neighbor — beloved, redeemed, restored. We want to partner with you to build relationships and bring healing and hope of a new, thriving life to our neighbors struggling with homelessness and addiction.

Though our volunteer opportunities have changed somewhat due to COVID, there are still many ways you can get involved and help change the lives of our neighbors in the greater Seattle area.
