

OUR STEWARDSHIP

For us, the real measure of our financial success is in the numbers of people who are helped and whose lives are changed. That means, gifts to the Mission are very real investments in neighbors in our community.

OUR MISSION

*is to bring the love of Jesus
and hope for a new life to our
homeless neighbors.*

Seattle's Union Gospel Mission started in 1932 to feed and care for those suffering from the Great Depression. From a simple, borrowed soup kettle, we now serve and care for thousands of homeless and hurting people each day throughout the greater Seattle area.

Motivated by our Christian faith, the Mission provides extensive 360-degree support and recovery services for homeless men, women, and children.

For more than 89 years and as God allows us to continue, we are King County's first response for homelessness.

WHO WE ARE

*We're a passionate community
of people who follow Christ in
his relentless, redeeming love
for all people.*

Relationship is key in all we do. We seek to be a consistent friend to those who are isolated and in need. We go where people live, listen to their stories, and regularly connect with each person to provide emergency care and invite them into our recovery programs.

Our goal is to inspire hope, bring healing, and point people to a new life through Jesus Christ.
